

## What is Tempus ?

- ✓ **TEMPUS is one of a number of European Community programmes designed to help the process of social and economic reform in a group of several Partner Countries;**
- ✓ **TEMPUS focuses on the development of the HE systems through the most balanced co-operation possible with partners from EU & Partner Countries;**
- ✓ **Three phases:**

**1990 - 1994  
TEMPUS I**

**1994 - 1998  
TEMPUS II  
1998 - 2000  
TEMPUS II bis**

**2000 - 2006  
TEMPUS III**

Education and Culture

## Cooperation Instruments

# Tempus

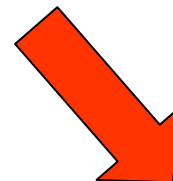

## The TEMPUS Programme is

an integral part of the cooperation instruments set up between the European Union and the partner countries

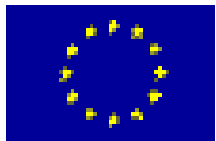

**Western Balkans**

**CARDS**

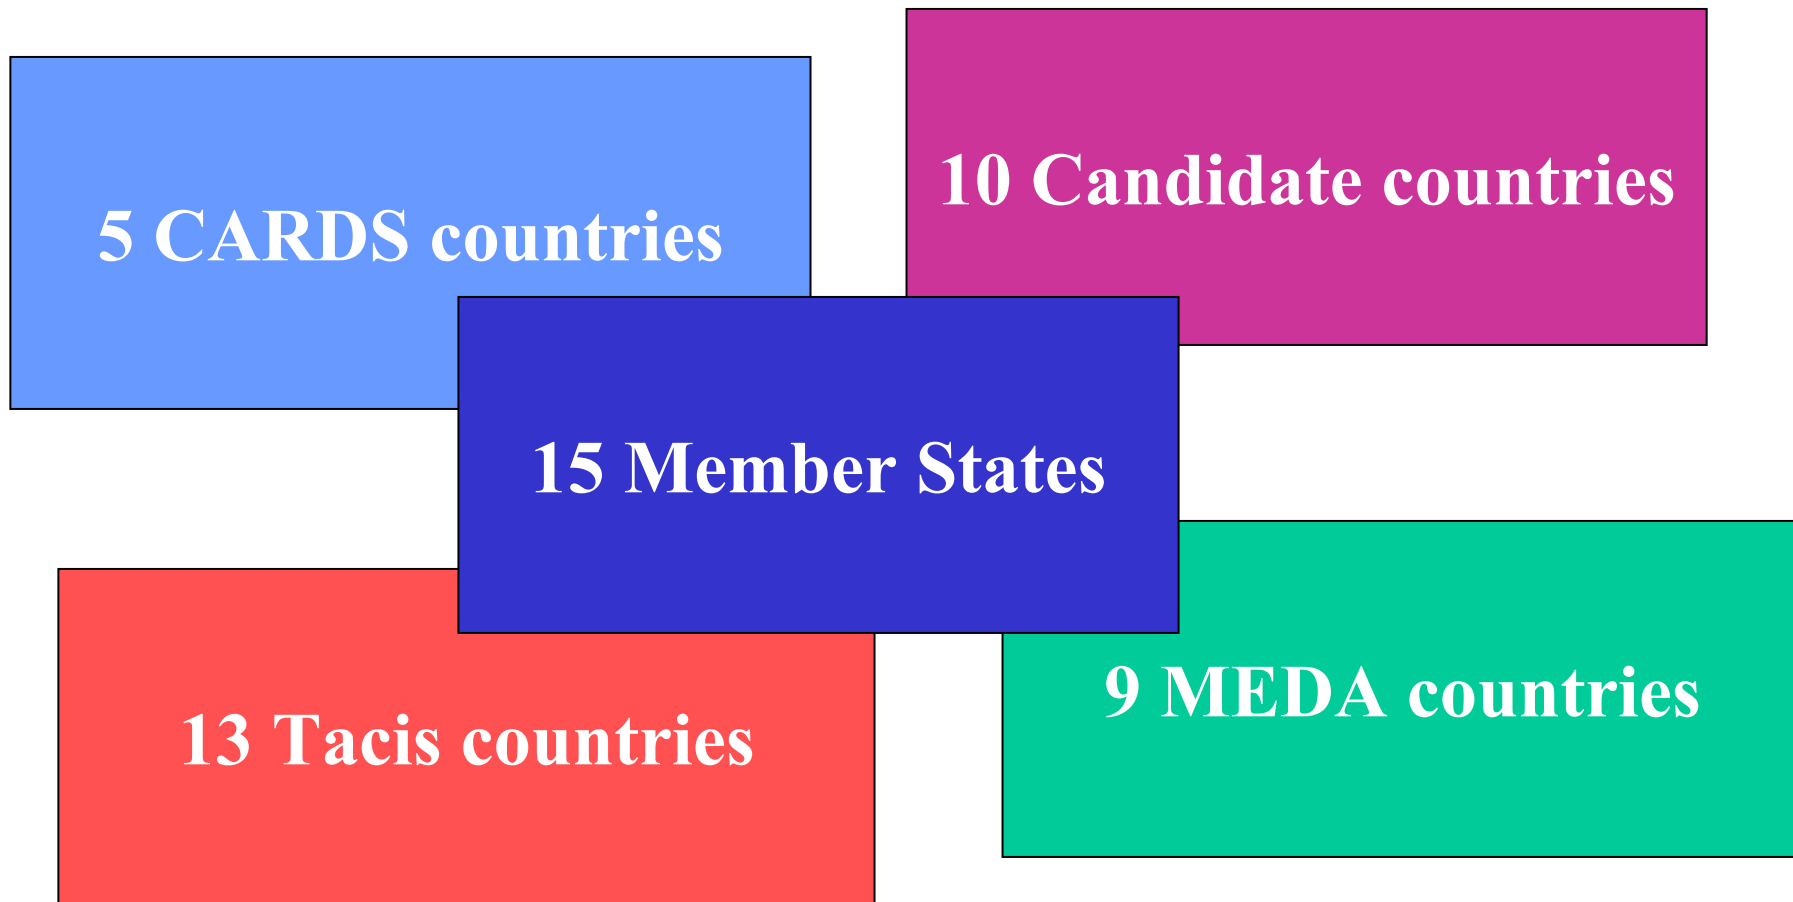

**Eastern Europe & Central Asia**

**TACIS**

## Who is involved ?

Education and Culture

## Cooperation Instruments

Tempus

CARDS

Community programme for Assistance, Reconstruction,  
Democratisation and Stabilisation  
in the Western Balkans

*The programme was adopted on May 2000 to simplify and accelerate the assistance to the Western Balkans by replacing various European Union aid and instruments (such as PHARE and Obnova)*

Education and Culture

## Cooperation Instruments

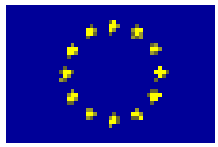

### Tempus

## Partner countries

- **Albania**
- **Bosnia-Herzegovina**
- **Croatia**
- **Federal Republic of Yugoslavia**
- **Former Yugoslav Republic of Macedonia**

*specific areas of intervention are identified through country strategies and multi-annual programmes; the **TEMPUS** priorities must be consistent with these choices*

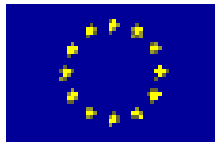

## Who manages Tempus ?

- ✓ the programme is managed by the European Commission, Directorate for Education and Culture
- ✓ technical assistance is provided by the European Training Foundation
- ✓ assistance in the countries is provided by the local offices
